KZN FAR NORTH COAST

EXPLORE THE ELEPHANT COAST

Known for its bountiful mountains, wondrous wildlife, and glistening shores, it's unsurprising that the Elephant Coast is one of South Africa's favourite holiday destinations. Appropriately named, this gorgeous stretch of coast extends inland across to the Lebombo Mountains in the northern reaches of KwaZulu-Natal and is home to the country's largest herd of indigenous African elephants that have traversed the local forests for centuries.

The region is also known as the ecotourism mecca of the Zulu Kingdom with attractions like the iSimangaliso Wetland Park, celebrated for its notable biodiversity and unique animal species. After spending time with beady-eyed crocs and lazy hippos, steer your journey towards the coastline for precious encounters with baby turtles, snorkel amongst the coral and wiggle your toes in the silky sand on one of the region's many sun-soaked beaches.

NIBELA LAKE LODGE

LAKE ST LUCIA | FAR NORTH COAST

Craving a peaceful holiday that's slightly off the beaten track? Located in KwaZulu-Natal's iSimangaliso Wetlands Park near Hluhluwe, Nibela Lake Lodge is ideally located to deliver a nature-based holiday with a difference. Few lodges can say that they are located on the cusp of a world heritage site. This area is blessed by the waters of Lake St. Lucia, an estuarine lake system which sustains an abundance of birds and wildlife which proves that you don't have to make your way to the Kruger to see it all. Once you arrive, you will be rewarded with your own private haven in beautifully appointed timber chalets with private balconies and lakeside views, not to mention the background cheer of birds from the surrounding canopy of trees. The main lodge offers an outdoor viewing deck, an ideal spot for sundowners served just before dinner at our Lakeview Restaurant. Venture out to explore the surrounding area of iSimangaliso. Take a boat trip on the lake, go walking, fishing, diving, biking, birding or picnicking. Enjoy game viewing on a day trip to Hluhluwe-Imfolozi Park, or kick back and relax near the pool.

Along the way animal lovers will find plenty of attractions, from elephant experiences, cheetah encounters, and bird sanctuaries and whale-watching trips. Further up the Route the Storms River Suspension Bridge offers one of the most popular attractions in Tsitsikamma National Park and is definitely worth a visit.
