SECURE YOUR ANNUAL HOLIDAY

Dream Hotels & Resorts offers numerous shared ownership opportunities at a variety of spectacular properties to perfectly suit your holiday needs.

Shared ownership means you can purchase a share in a share block resort, which entitles you to the use of a unit you choose at a time that you prefer to travel. Essentially, it means owning your own holiday unit, but only for the time you want to use it, typically one or two weeks a year and at a fraction of whole-ownership costs.

Shared ownership takes the hassle out of owning a holiday home and allows you to purchase future holidays at today's prices, for the period you need. Our variety of options available to prospective buyers cater for the special kind of holidays you and your family love taking year after year.

If you are an adventurous traveller who revels in that nostalgic look and feel of iconic canvas tent-style accommodation, there is one just waiting for you. Located just a stone's throw from the Vaalkop Dam and surrounded by natural bushveld, the setting of these luxury tents not only adds to your privacy, but also makes waking up in the morning a true delight with the cheer of birdsong all around you.

PRIVATE FREEHOLD STANDS

It is the perfect spot to create that iconic room with a view, as well as your private viewing deck, outdoor plunge pool and braai area, if that is what you envision as part of your dream safari house.
