LAKE ST. LUCIA

BIRDS, BUSH & BELONGING

A CURATED BIRDING WEEKEND
WITH FAANSIE PEACOCK
1-4 OCTOBER 2026

This exclusive Birding Weekend offers a rare opportunity to explore the rich birdlife of the St. Lucia region alongside renowned birder Faansie Peacock, in an intimate and thoughtfully curated setting. With only 10 rooms available, this experience is intentionally limited to ensure meaningful interaction, unrushed birding and a personalised hosting style. Guests will be immersed in the natural rhythms of lake, forest and wetland ecosystems during one of the most rewarding birding periods of the year. October welcomes migratory species and striking breeding plumage, making this weekend ideal for both seasoned birders and enthusiastic beginners.
